Dear Heidi Baseler,

Re: Application to the Academy of Medical Sciences INSPIRE Small Grants Round 4

I am delighted to confirm that the INSPIRE Selection Panel has agreed to offer you a grant in support of your INSPIRE proposal on behalf of Hull & York Medical School. The total grant amount offered is 9900 and this will be paid in one instalment once a signed copy of the Grant Acceptance Form has been received and accepted by the Academy.

We offer feedback to all applicants to consider when carrying out their planned INSPIRE activities, in order for the planned activities to have maximum impact.

The Panel commended Hull and York Medical School for proposing a multi-faceted approach. The student engagement with the application was strong. The Panel found the monitoring plan somewhat chaotic, with too many approaches. The Panel recommended that the School reduce the value of travel bursaries (£250 was stated in the application), whilst still offering the same total value, so there can be more bursaries available. The Panel also commented that there was a difference in the values of studentships from INSPIRE as compared to institutional funds, which needs to be harmonised. The Panel was pleased to recommend this application for funding.

Please note:

- We accept no liability for costs incurred prior to our acceptance of the items noted above.
- The grant is offered in accordance with the INSPIRE Grant Terms and Conditions. Please ensure they have been read before the offer is accepted.
- You will need to submit an End of Grant Report at the end of the award (the 1 October 2019) in accordance with the INSPIRE Monitoring and Evaluation Guidelines.
- We do not expect you to follow the budget allocation rigidly. However, we would expect to be notified of any significant divergence.
- The INSPIRE scheme is supported by the Wellcome Trust.

A Grant Acceptance Form, Grant Terms and Conditions, Monitoring and Evaluation Guidelines and Branding Guidelines are attached electronically. We look forward to receiving your **Grant Acceptance Form by 12 September 2018**.

Project Start Date: 1 October 2018

Project End Date/ End of Grant Report Due: 1 October 2019
